

## Terms and conditions of Best Price Guarantee in Euronics retail stores

- Best Price Guarantee applies to registered Euronics loyalty customers.
- Best Price Guarantee applies only to retail stores operating under the name Euronics (Antista AS, Metaan AS, Võru Polar OÜ ja Coop Põlva TÜ). To claim the Best Price Guarantee, you can turn to any Euronics store.
- Best Price Guarantee is based on an identical product code determined by the manufacturer (product code, article code, GTIN code, model code, SKU, PN, MPN, or any other unique code specific to the particular product).  
In case the product code is not provided in the competing offer or if there are disagreements in product identification, we may additionally request other parameters confirming the product's identity, such as name, model, series, appearance, completeness, specifications, sales region, and GTIN code (EAN barcode).
- The basis for the Best Price Guarantee is the actual availability of the product at the competitors. Best Price Guarantee does not apply to ordered and discontinued products.
- Best Price Guarantee applies once per product/transaction.
- Best Price Guarantee does not apply to offers available online, including goods purchased from the Euronics online store ([www.euronics.ee](http://www.euronics.ee)), special offers or promotional campaigns at Euronics retail stores.
- Best Price Guarantee does not apply to offers related to subscription and fixed-term contracts, as well as offers with additional value or gifts. Additionally, the Best Price Guarantee does not apply to limited quantity offers from competitors, samples, products returned by the customer, used products, installment payment offers, gifts, price errors, and coupon offers.
- Only accepted proof for the Best Price Guarantee is Estonian competitors advertising leaflets, advertisements published in Estonian newspapers/magazines, or other acceptable evidence.
- To compensate for the price difference under the Best Price Guarantee, the customer must present receipt or a document certifying the purchase from Euronics store.
- Best Price Guarantee applies to all products sold in Euronics stores (Best Price Guarantee does not apply to service prices)
- The price difference for the Best Price Guarantee will be refunded to legal entities after the purchase upon submission of a written application. The price difference is calculated based on sales prices excluding VAT.
